### Jurisdiction

This Court has Jurisdiction over this matter pursuant to 28 USC 1331.

Framingham State Police pulled me over on Interstate Highway 128 based on the color of my license plate. At the stop this officer had his gun drawn and had me removed from my car. I was driving a sports car and had long hair in which the officer profiled me as a "drug dealer". He placed me in cuffs and as i recalled during my entire exposure to Barker, he never read or explained my rights.

He entered my vehicle without a warrant and cited he placed me in cuff for his safety but never radioed for back up. Upon tearing my car up he claimed he found a Voice Activated Recorder under the steering wheel open compartment and made a statement saying "You can get hurt for this". It was this time I realized this recorder must or could have activated. I was not aware at the time for fear for my life I was to be killed with this gun pointed at me. I was charged with the state statute ch 272 Sec 99 wire tap.

The State of Massachusetts Dedham District Court has with the Police, used this property which just happens to be protected by U.S. Code Title 17 and possibly violating the R.I.C.O. statute as well as my Civil Rights. To this date, Dedham District Court has refused to give me a copy of my documentation (A day in the life of Michael J Hyde).

My ~~first~~ amendment was infringed due to the fact that as soon as my play was press on my recorder, my voice and being became a witness against my self. This property was taken for public use (the government is public and public financed) and was not compensated even though letters were sent to the Governor's office, Office of Public Safety and The Attorney General's office as well as some State and U.S. Senators.

The Eighth Amendment Cruel and Unusual Punishment.  
No one else ever was charged with this as to monitor / record a government official in open public. Not even the Record Industry has ever been charged for their illegal activities or wire tap. These are just a few Constitutional issues off-hand not to mention the Violation To the State Constitution of MA.

I wish to be reunited to my intellectual property that is protected by Title 17 (U.S. Code) that the State Claims exists.  
I want the Federal District Court to Compell the Dedham district court to Cease and Desist from Using my property.

2)  
 The State of MA has not given due process of the law in such ways as to provide me the copy at my Arraignment, Change the officer for Altering evidence (the recording), As a note of interest not a single District Attorney or Attorney General in MA has filed a ~~wire~~ wire tap against anyone else in the history or this law for document government actions in public. Under the U.S. Code title 18 section 2511 exemption 2-d, such a recording is legal and U.S. Code has Jurisdiction in all 50 states. Also the RIAA has been monitoring Peoples home computers thru a wire, phone connection to Peoples bedrooms and not a single District attorney or Attorney General has filed the wire tap charge against the RIAA which action is the very definition of wire tap.

The state has now utilized my property without my consent which violates my copyrights + Civil rights. The First amendment guarantees freedom of speech but its that speech of mine they're using to persecute me. The Second Amendment is violated because my right to bear arms (the Constitution never states guns as to not limit one right to defend on any condition) as to bring the truth in to Court on to manufacture a "Well Regulated militia" People empowered with the reality of what truly goes on during government encounters. My Fourth Amendment to be free from a ~~warranties~~ search, and ~~this~~ seizure,

## ATTENTION

I, Michael J Hyde, am writing this formal letter to let you know that your state agencies have in their possession an office device (voice activated recorder) that is located at the Framingham State Police station. This device is in use at this state agency without compensation to the alleged owner Michael J Hyde. This exercise of the State without compensation is in violation of State Constitution (Article 1, 12 and 14) and United States Constitution (4<sup>th</sup> and 5<sup>th</sup>) Amendments just to name a few.

The recorder has been in the states possession since February 15, 2003 and is built up late fees and interest charges. As of now being the date September 4, 2004, the total charges are \$5550.00 US dollars. This breaks down to \$7.50 a day at 566 days plus \$20 overdue charges per month (19 months) plus 20% interest. Be aware that the daily rental fee will increase September 13<sup>th</sup> to \$10.50 daily with the monthly overdue charges to \$25.00 and interest charges to be set to 21.5%.

It is imperative that this situation receives closure as to alleviate a complex situation from expanding to other legal and vastly more costly avenues. Please feel free to contact me at (home 781 341 4299), (work 617 697 8893) or write to Michael J Hyde at 148 Brickel Rd, Stoughton, MA, 02072

This Attention Letter is intellectual property of Michael J Hyde and is protected by US Code Title 17 and other international treaties relating to intellectual property and is not to be copied or reproduced unless specified by Michael J Hyde.

Thank you for your attention, Michael J Hyde.

I have sent letters to [redacted] State Entities (See enclosed ATTention and warning Letters) detail my demands. They are to pay \$230,000,000 to use my property or pay \$230,000,000,000. in damages to and for use of my property as they were told upfront at the Governor's office, Attorney General's office, and office of Public Safety. To Avoid this I am first seeking to have the Court install a Cease and Desist order to contain this issue. I am told the State District Court of MA (Dedham) is planning to use it as court leverage or use + copy on 11/24/04.

If the state use this property for there unconstitutional cause + illegal cause I wish to have a jury trial and have my demands fulfilled as stated above.
